

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 03 Feb ♀ ♂ ♃ 11:05 am PST Tran-Tran  00°⋈00'  
 Spiritual revival will be just one hallmark of the next fourteen years, as will a general tendency for those who pretend to it not give to those who actually do. Flights of romanticism are daily fare, even to those whose life is not romantic in the least. When there is nothing else, there is always a dream, a pure dream, waiting just beyond.
- 04 Feb ♃ □ ♂ 03:56 pm PST Tran-Nat  08°♁30'  
 You should attempt to lend particular accuracy and delicacy to your physical performances, as it will be very easy to overdo and use too heavy a hand in an effort to be sure of what you have accomplished. Go easy and don't push it: it will get done better with a little added finesse.
- 07 Feb ♄ ♂ 04:19 am PST Tran-Tran  29°♁30' R<sub>x</sub>  
 Saturn Stationary Retrograde in 08th House
- 14 Feb ♃ △ ♃ 02:38 am PST Tran-Nat  04°♁27'  
 If it feels right, go ahead, no matter how far out it seems! This is a time when inspiration goes hand in glove with opportunity, so be ready to invest in it and strike while the iron is hot. And save the extra stuff that you don't have time to implement right away, it'll be just as valuable down the line.
- 16 Feb ♂ ♃ ♃ 08:07 pm PST Prog-Nat  10°♁15'  
 A noticeable lift in concentration and mental endurance can keep you on the job longer, with better productivity. There's less tendency to lose focus or get bogged down by brain drain, as there's a natural tendency to pace yourself. Others may not keep up so well, so explain yourself and help them catch up before you move on.
- 12 Mar ♃ △ ♃ 09:22 pm PDT Tran-Tran  09°♁21'  
 New frontiers, hot prospects, expanded operations are not hard to sell right now -- in fact, the soft sell will be the most successful. Whether you are promoting your affections or your consumer product, act as if it's the only way to go in the world and is pretty much of an accomplished fact already. The more faith you have in yourself, the more others will have in you, and the more likely things will work out right for you, since everyone is expecting them to.
- 17 Mar ♃ △ ♃ 08:34 am PDT Tran-Nat  10°♁15'  
 Long strides in idea development are yours for the taking. It is not a time for radical departures, but for maximizing the potential of directions already taken, works already in progress. Fill out your sails and let the wind take you in the direction you want with minimum effort for maximum gain.
- 21 Mar ♃ △ ♃ 00:42 am PDT Tran-Nat  11°♁01'  
 A leap of faith will cross many a boundary and unite former foes -- and this is the time to do it, fueled by a special inner confidence that is now available. A strong word of support, based on your own willingness to stand behind your commitments, will change uncertain ties to lasting friendships.

- 21 Mar ♃ ♀ 10:11 pm PDT Tran-Nat  11°♁12'  
Not a good time to invest (or, rather, squander) in anything. It will tend to go awry, supporting the very thing you didn't want it to or backfiring entirely. Rein in your pocketbook and your emotions and wait for a more favorable time to put in your hard-earned what-have-you. Don't waste money or feelings.
- 30 Mar ♃ ♁ ♀ 01:32 am PDT Tran-Nat  12°♁57'  
You may find yourself totally in conflict, as inner beliefs balk at obvious opportunity. Do you compromise yourself to win, or let lost gains be the price of moral victory? It may be the time for a personal re-evaluation all around, for testing of standards and judging their long-term validity.

Pluto Stationary Retrograde in 11th House
- 15 Apr ♃ ♀ ☉ 04:43 pm PDT Tran-Nat  16°♁42'  
You are currently subjected to a strong inclination to leap before you look, so step cautiously. Judging new directions that require major commitments may be more difficult than you recognize, so seek others' advice before you make a move. Enthusiasm waxes strong and should be enjoyed for its own sake!
- 29 Apr ♃ ♀ ♃ 08:03 pm PDT Tran-Nat  20°♁00'  
Avoid the temptation to sweep out the old and ring in the somewhat untested new. It could be a detriment to both. It would be better to take some extra time to find a comfortable place for both and move on with double opportunity and protection. Where there is conflict, let it resolve itself.

Neptune Stationary Retrograde in 12th House
- 11 Jun ♃ ♁ ♀ 10:21 am PDT Tran-Tran  00°♁00'  
A year of multiple plans and schemes is ahead, where everyone talks a lot about what they're about to do, but not all of it will be decided or acted upon. There's more discussion than action, and lots of avenues are explored before narrowing down the options. Multitasking is a must, because there will always be more than one iron in the fire.
- 19 Jun ♀ ♀ ♁ 08:47 pm PDT Tran-Nat  08°♁30'℞  
You should attempt to lend particular accuracy and delicacy to your physical performances, as it will be very easy to overdo and use too heavy a hand in an effort to be sure of what you have accomplished. Go easy and don't push it: it will get done better with a little added finesse.
- 20 Jun ♃ ♀ ♁ 08:51 am PDT Arc-Nat  04°♁27'  
It can be particularly easy to let surprise emotions out into the open without necessarily meaning to, which can stimulate inventiveness and originality or simply initiate social train wrecks, so be spontaneous but watch what you say. Unexpected honesty can be refreshing, but it can have consequences, so weigh them.
- 24 Jun ♁ ♀ ♀ 00:41 am PDT Tran-Tran  08°♁24'  
This several-year period (most recently centering around 1933) occurs only once every 128

years and is reputed to have the effect of transforming and sometimes violent technological progress upon society at large. Too lengthy to have much more than a background effect, it nevertheless sets the tone of the period.

25 Jun ♃ □ ♀ 00:56 am PDT Tran-Tran  03°♁02'

This is a broad time for taking that second look at what life seemed to offer, or that it claimed to promise. That doesn't mean your life, specifically, but you'll probably find that's the current question in the air and there is good conversation in it at the least. The answers in general will be for the moment that optimism fails -- hopes lead to disappointment, and a lot of other confusions the result from both unclear desires and fuzzy thinking. If you can be on the outside looking into this one, you'll be the happier for it. Unexamined expectations go before the fall, and where you can be a cushion to others and a shoulder to lean on, you'll be the one to benefit from it later.

01 Jul ♃ □ ♃ 01:52 pm PDT Tran-Nat  04°♁27'

Where inspiration may have flowed freely before, you will now be tempted to force it when it doesn't spring up on cue. This will only result in creating a number of blind alleys for yourself, so best leave it be, even though the situation may be irritating. Better to save the energy and wait till later.

02 Jul ♃ ♀ ♀ 08:50 pm PDT Tran-Nat  08°♁30'

An extreme on-again off-again energy flow will make it hard to balance your hand and keep things steady in both the inner and the outer fronts. Extreme physical/emotional intensity alternates with a lack of same and can push you to extremes you cannot follow up on. Bank the hot fires so they will last.

21 Jul ♃ △ ♀ 07:38 pm PDT Tran-Nat  08°♁30'

This is the time to catch that precious second wind and establish your maximum stride with renewed energy freely given from within and without. Let yourself flow and all systems will right themselves and get you on an even, forward motion that requires little thought. Just go with it.

21 Jul ♃ ✕ ♃ 09:04 pm PDT Tran-Tran  08°♁31'

It's a good time to invest in mutual discovery, where what you stumble on somehow perfectly dovetails with what just fell into your partner's lap. You don't need to push or pursue the far-out to go really way into yourselves, and you'll probably even have a little help from your friends, because right about now they're probably doing it, too. This can apply to the boardroom or the bedroom equally, as subtle inspiration and small "aha!" revelations snowball to give everyone a totally new view on an old subject and reinvigorate flagging energies and interests. The key to success: Be aboveboard, don't go overboard. Share what's given, expect the same.

- 31 Jul ♃ □ ♀ 02:41 pm PDT Tran-Nat  10° II 15'  
Half-baked ideas are tempting, but go back to the drawing board no matter how good they look. It is easy to under or over estimate a situation, so now is the time to ask another for an unbiased outside opinion and take the advice to heart. Mistakes avoided now will save double the time later.
- 05 Aug ♃ □ ♀ 04:08 am PDT Tran-Nat  11° II 01'  
It may be hard for you to resist forcing your will on others where you think there is universal gain to be had. In the long run, however, this will be self-defeating, particularly when you later turn out to have been wrong. Rather, fear not to be still, for the need for power is born only of that fear.
- 06 Aug ♃ ✖ ♀ 08:02 am PDT Tran-Nat  11° II 12'  
A good time for rolling interest over in any sort of physical or emotional investment. Don't look to clean up, just quietly reinforce positive trends that will pay off later for you. You may find that a little extra generosity at this time will pay dividends way beyond its expected investment, so be nice.

Those who have been keeping the wrong sort of secrets will pay for it over the next couple of years, but not necessarily in public. Secret or private endings abound and behind-the-scenes justice may give the appearance of business as usual, belying the true change in course. Open and aboveboard is the safest place to be.
- 10 Oct ♃ △ ♀ 07:35 pm PDT Tran-Tran  00° III 37'  
For about a year, the world in general seems to be in the process of merging spiritual aspirations with material possibilities. It is as if Church and State finally realized they both agree at heart. It is a period you will likely look back on with fondness and a sigh, realizing that hope does indeed spring eternal and eventually may triumph. But the meek aren't about to inherit the earth, not yet anyway, so perhaps the best way to capitalize on this general trend is to associate yourself with hope, both yours and others', and where possible let it float your boat for the duration. Inner and outer stability flourishing together can only last a time, like Camelot.

At the moment you've got a good feeling about just how far out you can go to please yourself but not overly offend others more conservative than you are -- wild but chic, so to speak. Enjoy it while it lasts until your more individual urges get the better of you and you just have to let it all hang out.

This roughly yearlong period describes a background in which previous social conflict has been resolved and the establishment and powers that be seem to be pretty much doing their jobs. While not necessarily of personal impact, this rolling along of the status quo is something you may be able to use or at least be aware of to your advantage. It means you'll get more mileage out of being a cooperator and someone who does not rock the boat. There is more headway to be made running with the tide than against it, although you may not agree with everything you have to put up with in the process. The time for major departures

from the norm is not now, but will come soon enough.
