## **Astrological Compatibility**

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

### How You Approach Relationships

You, who are so power oriented and commanding in tone, have a greater need than most for love relationships. Who would guess that you like your lovers anything but aggressive? You need your lovers to be accepting, even at the risk of being on the dull side. Your relationships tend to be long-term, conservative, and quite stable. Your partners often have money, property, and tend to be quite possessive of your attention. Your emotions run deep and you can be fiercely jealous. You bury yourself in your relationships. Only your lover knows how vulnerable you really are.

*Taurus on 7th Cusp*

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

*Venus Ruler of 7th*

## Report for Hillary Clinton

### Strengths in your relationships

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

*Mars Conjunction Pluto (orb: 00 50')*

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

*Moon Trine Mercury (orb: 01 27')*

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

*Mars Sextile Neptune (orb: 02 39')*

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

*Mercury Conjunction Venus (orb: 05 10')*

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

*Sun Trine Uranus (orb: 06 23')*

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people

and working with the public.

*Moon Trine Venus (orb: 06 37')*

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You are driven to accept more and more responsibility, which is not a burden to you. This is a sign of excellent managerial ability. You're in it for the long haul and are a good example of what real discipline looks like.

*Mars Conjunction Saturn (orb: 07 18')*

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

*Moon Trine Jupiter (orb: 07 40')*

## Report for Hillary Clinton

### Challenges in your relationships

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

*Mercury Square Saturn (orb: 00 05')*

Power struggles are no stranger to you. You tend to put off confrontations until they build up and then explode, kind of like having your own built-in volcano. You probably have considerable emotional tension and a strong sexual drive. Your flair for secrecy could find you with more than one lover, several affairs.

*Venus Square Pluto (orb: 01 23')*

There is a tendency to be somewhat taciturn and reserved; perhaps a little too prudent. You have a fear of letting go that may manifest as an apparent lack of emotion. You don't always like what you are feeling, or own up to it. You are probably not an animal lover.

*Venus Square Mars (orb: 02 13')*

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.

*Moon Square Uranus (orb: 03 05')*

You find yourself hampered by authority and elders. Too many rules and regulations may inhibit or put a damper on what your heart feels like doing. You may procrastinate and put off attending to the necessities, with the result that duties tend to pile up. You might be somewhat defensive about expressing your real likes and dislikes for fear of being criticized or cut down. You don't always play by the rules.

*Venus Square Saturn (orb: 05 05')*

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

*Mercury Square Pluto (orb: 06 33')*

You really put a lot of feeling in what you say. Others sense in you high energy and a certain tension that's always there. You have a quick mind, an even sharper tongue, and God help anyone who is foolish enough to try arguing with you. You tend toward impatience and

irritability. Those who are close to you know that you often bitterly regret what you may blurt out in an instant.

*Mercury Square Mars (orb: 07 23')*

## Report for Hillary Clinton Your Relationship with Donald Trump

You knew from the moment you met him that here was a person who couldn't help but be supportive to you. He approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because he is so indiscriminating, the temptation is to add him to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

*His Moon in Your First House*

Whether he has conventional good looks or not, Donald has true sex appeal for you. Conventions go out the window and there it is, right in front of you. He has a way of cutting through any reservations you might have and exposing even your most secret thoughts. There is no use pretending you are anything other than you are. There can be no secrets between you. All this can be terribly exciting. He may be able to serve as a key to some important investment or other financial arrangement. You might inherit money through him.

*His Sun in Your Eighth House*

Here is someone with whom you can share your deepest fears and hopes. There are no secrets between you. It tends to just come pouring out whenever the two of you sit down for one of your long talks. There was an instant understanding between you from the first time you met. Your intimacy did not require time to develop. There is no shyness between you. Donald's frankness extends beyond any emotional ties. You can discuss business ventures and career possibilities, and count on good advice.

*His Mercury in Your Eighth House*

He finds you more sexy than just attractive. You felt this quality from the first. His appreciation for you is quite bare and direct. It cuts through words and needless explanations. You can't resist. It's as if he already knows the real you and likes what he finds. He handles the most sensitive areas of your personality without even asking your permission. He knows what to do. A very exciting condition.

*His Venus in Your Eighth House*

Donald always manages to bring out the philosopher in you. He can be a moving force in developing your deeper and more metaphysical qualities. There is a real emotional tone to how you relate, but it tends to confine itself to matters of religion and values. The two of you could have discussions that often turn into debates. He could be responsible for pushing you toward a role as a teacher or guide to others.

*His Mars in Your Ninth House*

He is a very social being and may be the key to your making friends in the community or within a particular group. His high ideals and selflessness guide you in your own behavior. He could introduce you to political or social values that are uplifting. The two of you share dreams

and ambitions. He can show you how to put these ideas to work. A good friend.

*His Jupiter in Your Eleventh House*

It may be hard to get personal with Donald, and this may be a toughy if you're thinking about romance. You may feel tied down and unable to work efficiently or profitably. You may lose sight of what is essential in any personal or business venture. You could accumulate debt. Not a traditional sign for a good business relationship.

*His Saturn in Your Eighth House*

You may have met in an unusual, unexpected way. There is always this sense that he may vanish as quickly as he appeared. You never are quite sure what he is about to do next. There is a strong possibility that Donald was a key to introducing you to new people or a new crowd. Time spent together is fun and filled with a sense of adventure and discovery. He is good at sharing new ways to approach people and relationships.

*His Uranus in Your Seventh House*

Donald could have a strong effect on your motivation and career direction. You may find him inspiring and able to give you a clear picture of the ideal possibilities of your work. He is capable of generating great enthusiasm on your part, and you are easily enchanted by his images and words which can have an almost numbing effect on you. If you work closely together, this can have a very beneficial effect on your attitude. If you get too far apart, the whole thing can take on an unreal quality.

*His Neptune in Your Tenth House*

A different kind of teacher. Donald tends to view life and philosophy just the way you do. He may take the lead when it comes to introducing you to new ideas and getting rid of worthless pipe dreams. He is an intellectual challenge, and does not hesitate to throw ideas of yours out the window that he finds not to the point. You will seldom find someone who is as intellectually aggressive, a kind of mental purgative. He can change your basic philosophy of life.

*His Pluto in Your Ninth House*

## Report for Hillary Clinton

### Challenges in your relationship with Donald Trump

You may not feel very supportive of Donald, and he may not be able to depend on you as much as he would like. He seems to go against your feelings more than a little, and this could lead to many a confrontation.

*Your Moon Square His Sun (orb: 00 05')*

Push me; pull you. There is a tendency to end up feeling at odds with one another no matter what the issue. This could manifest in hard feelings and a lack of support on each of your parts. It is a no-win situation, and even a bit humorous.

*Your Moon Square His Moon (orb: 01 39')*

Donald's feelings of independence, and his unusual ways, tend to rub you the wrong way at times. You refuse to support his oddball ideas. He may find you restricting and unimaginative. There is definite disagreement here.

*Your Moon Square His Uranus (orb: 04 57')*

Harsh words and arguments may not be uncommon. He tends to irritate and get pushy, with the result that you may get sharply critical and say more than you intended. Your analysis of his feelings may drive him a little crazy.

*Your Mercury Square His Mars (orb: 05 23')*

You can't appreciate his continual need for self-analysis and confrontation. He never seems happy unless he has reduced every meeting to its lowest common denominator. He may go against all that you hold dear, and drag you through scene after scene. A problem.

*Your Venus Square His Pluto (orb: 06 11')*

You may feel that Donald may not always appreciate you enough and that he purposely doesn't give credit where credit is due. You may act and do things that go against his set of values.

*Your Sun Square His Venus (orb: 06 34')*

## **Report for Donald Trump**

### **How You Approach Relationships**

You are warmly generous and always gracious with others. You have an innate sense of playfulness and self-discovery that endears you to all who come to know you. You will always have a bit of the child about you, and you tend to require considerable attention from a mate. Anyone who gets to know you knows that you take yourself ever so seriously. You prefer a mate with great ambitions and plans, who dares to dream the impossible dream! You benefit from being drawn out of yourself by someone with less self-consciousness. Above all, you really value a close friend -- especially in a lover. You are attracted to visionaries with broad humanitarian goals.

*Aquarius on 7th Cusp*

You love the oddball and the unfettered. You may be drawn to social visionaries and to unconventional types in general -- a taste for the bohemian. You may have many unusual relationships of short duration. There is an on-again, off-again, quality to your affairs. You depend on relationships for insights into yourself and your life.

*Uranus Ruler of 7th*

## Report for Donald Trump

### Strengths in your relationships

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

*Venus Conjunction Saturn (orb: 01 55')*

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

*Moon Sextile Jupiter (orb: 03 45')*

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

*Sun Sextile Mars (orb: 03 51')*

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

*Sun Conjunction Uranus (orb: 05 02')*

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

*Sun Trine Jupiter (orb: 05 29')*

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You

probably got a lot of emotional support as a child, especially from your mother.

*Moon Trine Mars (orb: 05 35')*

## Report for Donald Trump

### Challenges in your relationships

You are torn between the impulse to stand on your own feet, and a need to be cared for and nurtured. Your independent streak may be ashamed of the need on your part for love and affection. It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

*Moon Opposition Sun (orb: 01 44')*

You are a real dreamer but can't always manage to put your vision into words. You may occasionally be accused of cloudy thinking and of letting your imagination run wild. There is a likelihood that you frequently get yourself into situations in which you are disappointed, or disappoint others. Some clear thinking on your part could prevent others from getting the feeling that you are intentionally misleading them. You may have trouble paying attention, keeping your mind on what you are doing.

*Mercury Square Neptune (orb: 03 01')*

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.

*Moon Opposition Uranus (orb: 03 18')*

## Report for Donald Trump Your Relationship with Hillary Clinton

The two of you may work together in the public eye. From the very first, you saw that she was a natural complement, and you knew that you could always count on her support. You might actually form some kind of business partnership. She seems to respond to your every mood. There is real harmony between the two of you. Others could come to depend on your relationship for reasons of their own.

*Her Moon in Your Seventh House*

At last, someone you can really talk with. You should have become instant friends from the very start. Hillary is the kind of person that is intellectually stimulating. Together you could spend great amounts of time exploring ideas and concepts, taking walks, and even short trips. Talking until dawn is not impossible with her. The platonic thing was there from the start, and there is a sense of the brotherly and sisterly between you. Even if lovers, you will always be first and foremost, good friends.

*Her Sun in Your Third House*

She is a talker, and you're no slouch yourself. When the two of you get together there is little room for anyone else in the conversation. You both connected intellectually and mentally from the very beginning and seem to have a world of things to discuss. When you can't get together, you may talk on the phone or write voluminous letters to one another. Communication is so strong between you that it is possible for you to team up and collaborate on writing or speaking projects. Take the show on the road.

*Her Mercury in Your Third House*

Here is a real admirer of your mind and mental qualities. Above all she loves to share ideas with you, whether by phone, letter, or in person. There is endless chatter when you two get together. This relationship could find you waxing very eloquent and becoming downright creative. You might feel that your ideas and thoughts are worth writing down after being with her. She probably laughs at all your jokes and even dotes on the poetry you write.

*Her Venus in Your Third House*

Hillary has the effect of moving you to give up old habits and unwanted traits. She motivates you to greater will power and self-control than you might achieve on your own. If you're not up to it, she may tend to badger and shame you a bit. All in all, her influence results in your throwing aside many a burden and assuming a more willing and receptive attitude.

*Her Mars in Your Twelfth House*

She tends to lead you away from the bright lights, and shows you the value of home, family, and security. Hillary does not force this upon you. Through her you discover your own desire to just live and build a foundation. You find yourself wanting to settle in and send down roots. She is the key to your discovering these qualities in yourself. You may love to cuddle up together

and count the blessings of a peaceful homestead-like existence.

*Her Jupiter in Your Fourth House*

She seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by her. She won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

*Her Saturn in Your Twelfth House*

She may have had an unexpected effect on your career or life direction. Hillary may have come into your life rather suddenly and been a disturbing factor. Perhaps she urges you to break away and dare to try new things. She may provide you with needed insights, point out unusual opportunities. You sense that she knows what you are about and understands your situation. She could be, for you, an unusual but respected authority figure.

*Her Uranus in Your Tenth House*

No matter how dreamily romantic this relationship feels, it could have a very real quality if it extends to your finances or resources. Hillary is an idealist of the first water and may not have the practical experience needed to make decisions involving money and property. She has the very best intentions, but you could experience a sense of loss through her. Better to enjoy her company and let the loss be all the petty details of life, rather than some real investments.

*Her Neptune in Your Second House*

She may exercise an enormous influence on how you view your role in life. Your whole idea of what you are here for and what it is to be human may be transformed. Hillary has a way of separating the wheat from the chaff and getting right to the heart of things. Through knowing her, you may find yourself going through deep changes in attitude, discovering more compassion, self-sacrifice, and patience. She will put you in touch with the saint in yourself.

*Her Pluto in Your Twelfth House*
